

03 Around Australia Challenge

The crew on KAZ are on their way home from their record breaking circumnavigation of Australia.

Thank you for your support by tracking their progress through this website.

Now you can extend your support by welcoming the crew back home. For exact timing in your area, click onto "Where is the boat now?" link.

If you live on the south coast of NSW:

- 🦋 Visit a local headland as they're passing by and wave or flash your lights.
- 🦋 The crew have appreciated support from people around Australia throughout their voyage

If you live around Port Hacking or Botany Bay:

- 🦋 Sail or motor out to wave to the crew as they go past
- 🦋 Please appreciate their efforts from a safe distance, they still have a record to break and their voyage is unassisted

If you have access to a boat in Sydney Harbour:

- 🦋 Hop in your boat with some friends, hoist your club burgee if you have one and come out to cheer the crew as they arrive into Sydney Harbour
- 🦋 KAZ will arrive through the heads and travel down the harbour to the Opera House

If you don't have access to a boat:

- 🦋 There are good vantage points around the harbour
- 🦋 Grab some friends and head for Bradleys Head, Yarranabbe Park (Rushcutters Bay) or the Opera House
